

Born & raised in Silicon Valley, I learned many cultures & lived a diverse, fast paced lifestyle.

In 2002 I moved to the Eugene – Springfield area with my wife and first child with the Northwest Wilds in our hearts, the adventure of new beginnings in our eyes.

Twenty years later we know the **rich** community in our area and have explored the many diverse regions our great state has to offer.

With 25 years of customer service and project management under my belt, I am wired for problem solving and have confidence in planning and anticipating challenges.

Being a Real Estate Broker, I use my comfort in handling issues as a guide to provide my clients with a calm professional approach to ensure that together we get the best results possible in every contract.

I stay connected by participating in my local brewing community, wildcrafting such as mushroom hunting, Realtor events, brewing, golfing, and cooking, experiencing Oregon with my wife of 24 years and hanging out with my beautiful kids.
